

Carnival Queen Crowned

Miss Margaret McCullagh (L), a Centennial Princess of last year performs the crowning ceremony for Miss Carol McGaughey, the winner of this year's Carnival Queen Contest. Looking on are Rotary President, Fred Raven and Princesses Joan Swap and Carole Kruger (R).

ANNUAL CARNIVAL PROVES MOST SUCCESSFUL EVER

The 13th Annual Ice Carnival held in the Drayton Valley Centennial Civic Centre last Saturday has been declared the most successful in the history of the event.

One thousand and twenty six persons, the largest number to attend any event in the centre to date, crowded into the building for the Saturday evening show. The matinee performance was seen by 604 spectators.

Many favorable remarks were heard following the show indicating the event was well accepted by spectators. The colorful costumes and the increasing ability of members of the Figure Skating Club also received favorable comments from residents of the community.

Highlight of the evening performance was the crowning of Miss Carol McGaughey as Carnival Queen by a Centennial Princess of last year, Miss Margaret McCullagh.

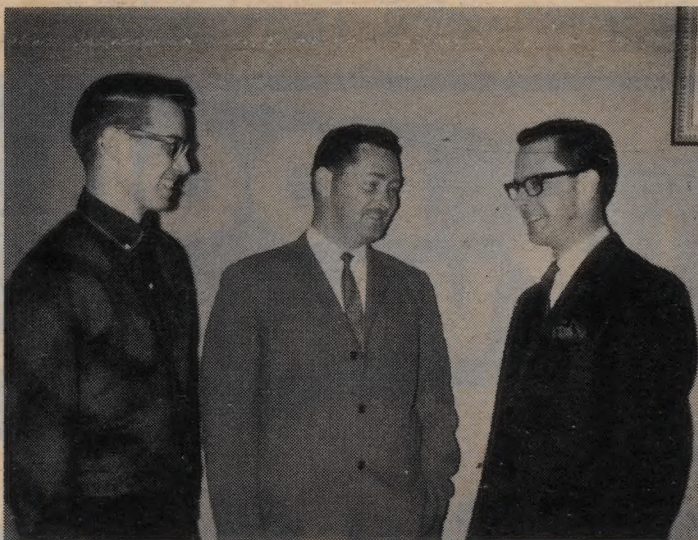

During intermission, Miss McGaughey and Queen contestants Carole Kruger and Joan Swap were escorted to centre ice for the crowning ceremony. The girls were introduced and presented awards by Mr. Fred Raven, President of the Drayton Valley Rotary Club which co-operates with the Figure Skating Club in the production of the annual event.

The performance opened by a color party of scouts and followed by an address of welcome by Mayor R. Findlay. Master of Ceremonies for the performances was Rick Simon. Entitled "Around The World in Eighty Minutes" the show was opened with the arrival of a spaceship piloted by Victor McGregor.

Countries around the world were visited in fantasy by skaters as follows:

In the United States it was the Rosebowl game with the boys preliminary group as football players and the bronze group as cheerleaders. Lynne Astle, Bonnie Mohn, Debbie Reid and Sharon Hay did a South American number. The boys group did siesta time in Mexico and Janet Metelski and Joyce Rendflesh did a duet. The Hawaiian girls were presented

Safety Meeting

Among those present at a meeting of safety officials in Drayton Valley last week were the men shown above. From left to right are Elmer Madsen, chairman of the Fire Departments' Defensive Driving Committee, Mayor Bob Findlay and Mr. Jim McHale, Manager of the Edmonton Safety Council.

F.U.A. Sub-District Meeting Thursday

Annual meeting of FUA Sub-District 6 will be held in the Elks Hall in Drayton Valley at 8 p.m. on Thursday, April 4. Registration will commence at 7:30 p.m.

Among the speakers at this meeting which should be a highlight of the year for farm families in the area are Mr. Paul Babey, President of the Farmers' Union, Mr. Bill Harper, and Mr. Ralph Jespersen, M.L.A., unless there happens to be a night session of the Legislature.

Members of the host Drayton Valley local are hopeful of a

good turnout for this important meeting and point out that members and visitors from anywhere in the area are welcome to attend. With no FUA local between Drayton Valley and Leduc it is hoped that many farmers from that region will attend the meeting.

Free lunch will be served at the conclusion of the meeting.

Town, Area Leave Recreation Plan

The Town of Drayton Valley, I.D.'s 77 and 78 and the Town of Lodgepole have opted out of the Recreation Area proposal that has been under consideration with Stony Plain and communities east of here during recent months.

At a meeting in Entwistle, Councillor Billy Rose of the Town of Drayton Valley stated that acting on instructions from Town Council, Drayton Valley intended to drop out of the plan because of the unwieldy size of the proposed area. His announcement was followed by withdrawals of the I.D.'s in this area.

When the matter was presented at a recent meeting of Town Council the size (stretching from the City limits as far as the Buck Creek-Camwood area, as proposed) was considered too large to be an effective unit. It was also noted

that Drayton Valley already enjoys an excellent recreation program and it was felt that little would be gained by joining the larger unit.

It was proposed however, that consideration should be given to the organization of a local recreation area taking in the region normally served by the Town of Drayton Valley. Nothing was done in this regard other than discussing the possibilities of such a move.

The meeting at Entwistle went ahead with plans for the recreation area within the boundaries of the Municipal District of Stony Plain and centred on the Town of Stony Plain.

COUNCIL BRIEFS

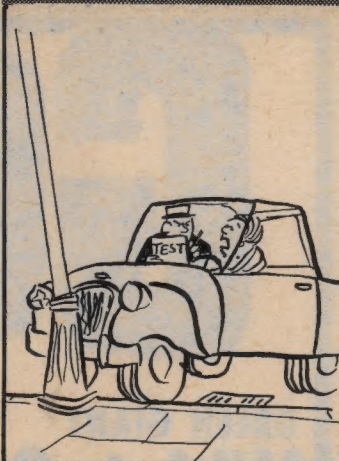

First item of business on the agenda of the March 28th Council meeting was the report of the Dog Control officer. Council decided that he be remunerated at the rate of \$4.50 per hour for himself and his vehicle.

The Library Board requested a substantial increase in the Town Grant for 1968 as the budget estimate shows a proposed deficit of \$1400. Council approved the decision to make up the deficit for 1968.

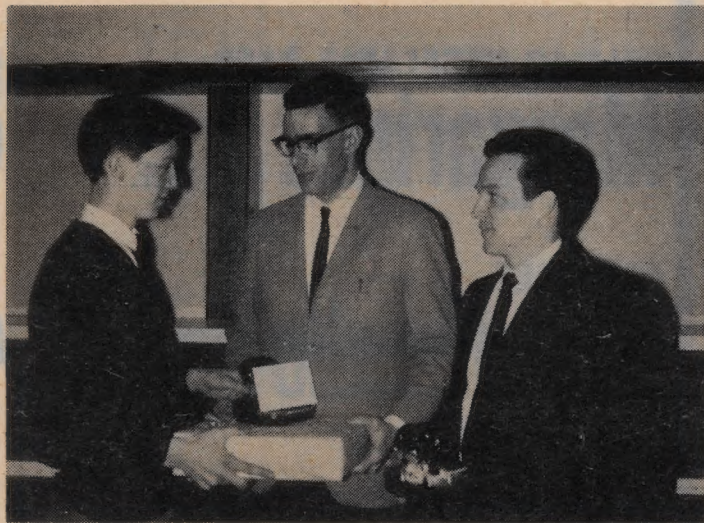

Council approved the request of J. Hazzard for an upward

Hockey Club Wind-up

Don Whelen (L) captain of the Elks Bantam hockey team presents coaches Allan Baker and Barry Richer (R) with tokens of appreciation from members of the team during the club's wind-up supper in the Elks Hall Sunday evening. The hockey team enjoyed a good season that ended last Wednesday when they lost to the Tomahawk Totems. The Tomahawk win broke a two-game deadlock and won the the best-of-five series.

2011/8/16/04

Medical Conference

"General and Plastic Surgery" were the topics of the Drayton Valley Regional Conference in Continuing Medical Education held Wednesday, April 3.

Dr. P.A. Salmon (general surgery) and Dr. H.J. Shimizu (plastic surgery) were guest speakers at the conference which was held at Drayton Valley Municipal Hospital from 2 to 8 p.m. Dr. H.L. MacLure is local chairman.

Easter Cantata

The Drayton Valley Community Choir will be singing an Easter Cantata, "Allelujah, What A Saviour" by John Peterson at the following times:

Sunday, April 7--11:00 a.m. United Church; and at 7:30 p.m., the Church of God.

Wednesday, April 10--8:00 p.m., St. Anthony's.

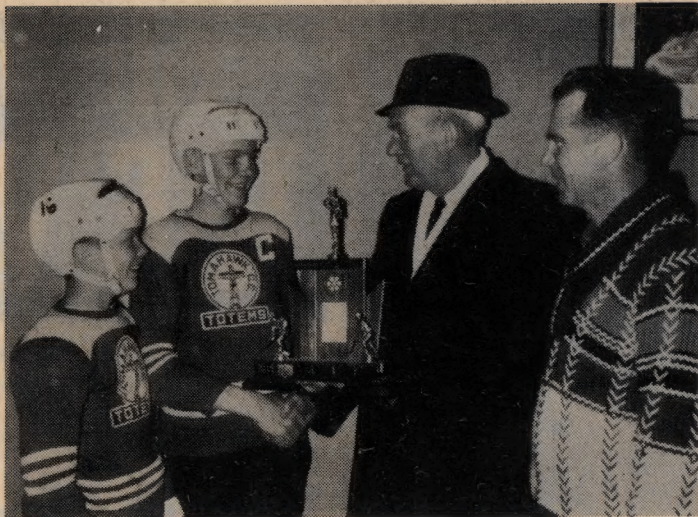

Monday, April 15--8:00 p.m., Entwistle Community Church.

Sunday, April 21--7:30 p.m. Anglican Church.

All are cordially invited.

Students Plan Alumni Dance

EVANSBURG--On May 3rd, an alumni dance in honour of all the graduates of Evansburg High School will be held in the school gymnasium. It is hoped that many of you will be able to attend. The dance will begin at 9:00 p.m. with good old-time music. Lunch will be served. An admission will be charged. Everyone is welcome.

David Lukaniuk, captain of the Tomahawk Totems accepts the Rotary Club Trophy for championship of the Drayton Valley and District Bantam Hockey League from Rotary president, Fred Raven. Watching proceedings are Ronald Reich, assistant captain (L) and the Totems coach Ted Reich. The presentation was made following the Totems win over the Drayton Valley Elks last Wednesday to win the series three games to two.

Old Timer's Night Planned At National Petroleum Show

The National Petroleum Show in Calgary from May 7th to 10th will be the showcase of the most modern and sophisticated technology and equipment developed over 100 years but there will be many old timers on hand to remind the "young experts" of how it all came about.

For about 18 years the Canadian Oilfield Technical Society, Calgary branch, has been honoring the old timers of the petroleum industry. But this year it has made special ef-

forts to have as many on hand in Calgary, Wednesday, May 9th, as possible. An informal evening of story-telling and lively entertainment has been arranged to honor the many senior men of the industry.

Any old timers--those in the industry prior to 1947--(or those who know of some) who would like to come to the event should get in touch with Mr. Wong, French Petroleum Company of Canada Ltd., 635 6th Avenue S.W., Calgary, Alberta.

Totems Win Rotary Trophy

On Wednesday night Tomahawk Totems and Drayton Valley Elks played the final game of a best of three out of five series in Drayton Valley Centennial Civic Center.

Going into the game the Elks and Totems were deadlocked with two games each. Tension was high in both players boxes as the whistle went to begin the game as this was the last chance either team had.

Both teams would have given their eye teeth for this game, as it meant the league championship and the Rotary Trophy. Both teams fought hard but as the buzzer went to end the period, Tomahawk Totems had scored three times.

The first goal was scored by Lance Towers. David Lukaniuk scored the second goal and Gordie Reich made the third goal. During the second period neither team scored.

The third period saw Drayton Valley Elks score two goals in the first ten minutes. With tension mounting higher, Elmer Zander of Tomahawk scored the fourth goal in the last few minutes of play. As the buzzer rang to end the game there were sticks and gloves flying everywhere on the south end of the ice as Tomahawk Totems were one bunch of happy and excited boys.

On the north end of the ice were a disappointed team of Elks who had put out a very good hard fought game. Congratulations to the Elks for the good games all season long.

The trophy was presented to the Tomahawk Totems with David Lukaniuk, captain, receiving it on behalf of the team. Fred Raven, Rotary

Club President, made the presentation.

This is the first year that this team of boys have played together as a team. A good deal of the credit must go to our two coaches, Ted Duckett and Ted Reich, who worked so hard to organize these boys into an effective hockey club. The coaches have brought the boys a long way. Ted Duckett was unable to attend this last game.

Another thank you must go out to all the parents of the teams and all the other people who came out through all the games and especially to the final games. Tomahawk had a very good attendance at most of the games which gave the boys a lot of support. Congratulations boys.

The Tomahawk and District Club are sponsoring a banquet in honor of the Tomahawk Totems on April 5th at 6:30 p.m. Tickets are available from members of the hockey team and there will be tickets available at the door. Tickets are \$1.50 each for adults and 75¢ for children under twelve years of age.

Gymkhana Club Meeting

The Lariat Gymkhana Club will hold a membership meeting in the Scout Hall at 8 p.m. on Friday, April 5th.

Two films will be shown. "Quarter Horse in Action" is one of the films and the other features the appaloosa. Coffee and lunch will be served following the film.

Mites Receive Trophies

Swanees Mites, winners of the Drayton Valley Mite League, were honoured at a team wind-up banquet in the Cardium Room Monday evening. In the photo Ray Marfleet (R) Coach of the senior Rebels, awards individual trophies with Norman Swendsied, team sponsor looking on. Receiving the trophies, from left to right, are, Kerry Shearer, Sportsmanship Award; Michael Shimbashi, Most Valuable Player; and Gerald Ganski, Most Improved Player. Mr. Swendsied holds the miniature stick presented to him by the team coaches and signed by all members of the club. All members of the team received memento trophies in recognition of their championship year.

COUNCIL BRIEFS

Continued from Page 1
revision of his remuneration due to additional development and increased costs of operation. Council set his new contract at \$9,900 per year.

The Utilities Committee reported on an investigation into sewer rates for some businesses. Valley Concrete was advised that the sewer rate charged them was too high and would be revised. No other changes were made.

The Police Commission reported on applications for the post of constable to fill a vacancy on the force. Several applications were received but no decision as yet reached. Also introduced was the subject of a salary review for the Chief Constable. Council decided to hold over all salary considerations until the meeting of April 11th.

Whereas it appears likely that a considerable revision of the present Health Unit arrangement will take place in 1969, Council decided to hold in abeyance its resolution indicating dissatisfaction with present Health Unit operation and authorized payment of the 1st quarter requisitions.

Corrbild Engineering's ac-

count for various projects in 1966 and 1967 was tabled until further information is available

The request by H. T. Deby to have Lot B in Block 28 revert to acreage was approved by Council. It was noted that the property is not suited for other types of development at the present time.

The problem arising between residents at the south end of the lane in Block 28 and Hamdon Stores Ltd. continues under study by Town Council and the Edson Health Unit. Residents of the area had complained of disturbances by trucks and improper garbage disposal at the rear of the store. Mr. Hamdon Manager of the store, has taken steps to rectify the problem.

Council authorized the erection of signs directing people to rest room facilities in the basement of the Town Hall.

Council directed that a letter be sent to Mayor Robert Findlay, asking about his intentions for the balance of his term in office.

Bylaws Nos. 405 and 406 authorizing installation of curbs and gutters and street paving were given first readings.

Council authorized the moving of the siren to the top of the water tower in hope that it might prove more effective.

Funeral for Evansburg Old Timer

EVANSBURG--A long time resident of the Reno district, Mr. Jack (J. W.) Lee, passed away on March 19th. Mr. Lee came to Canada from England in 1913. A machinist by trade he came to Evansburg to operate machinery in connection with the coal mine then in operation.

During the World War I years he was in the Canadian army serving a machinist in Scotland and England.

Mr. Lee homesteaded south of Evansburg in the Reno District, a few years after coming to the mine. During World War II, Mr. Lee again served as a machinist, this time as instructor for the younger men. After the War, he came back to his farm where he stayed until the last two winters which he spent at Pleasant View Lodge at Mayerthorpe.

Mr. Lee leaves to mourn his passing, a son, George of Evansburg, a daughter in England, and a brother in Sault St. Marie, Ontario. His wife predeceased him three years ago. Rev. Kohen officiated at the funeral service which was held in Evansburg.

Home Designing Course Planned

Marlene Jubenvill district home economist along with a specialist in home designing will hold a short Home Design Course, including home accessories. This is choosing colors, draperies, arranging furniture, wall coverings and flooring.

The course will be held at the Legion Hall on April 10, starting at 10 a.m. to 4 p.m. There will be a coffee break in the afternoon. Silver collection.

Ice Carnival Success

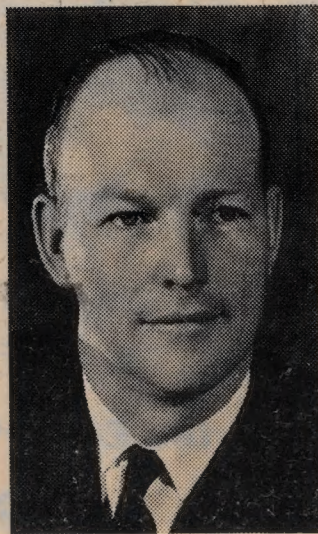

Continued from Page 1
by the preliminary group and the solo was by Linda Hinecker. The bronze group presented the Japanese girls and there was a solo by Michelle Shimbashi. The silver and gold group were the Spanish girls and Gary Muzyloski, Edward Eustace and James Novosel presented a bull fight. Linda Astle represented Italy with a solo and the silver and gold group presented the French maids. Linda McMorris did an Austrian solo and the primary group represented a toy shop in Switzerland with

Willie Eustace as toymaker. A trio of Aileen Johanneson, Joyce Meraw and Elaine Joyce represented Germany and the preliminary group were Dutch maidens. The bronze group depicted England, Scotland and Ireland and Betty Hay and Vikkie Wardlow presented Greenland in a duet. The primary group came on with the Penguin parade and the silver and gold group wound up the program with Canada.

Mite hockey and chuckwagon races were intermission features.

John E. Maybin

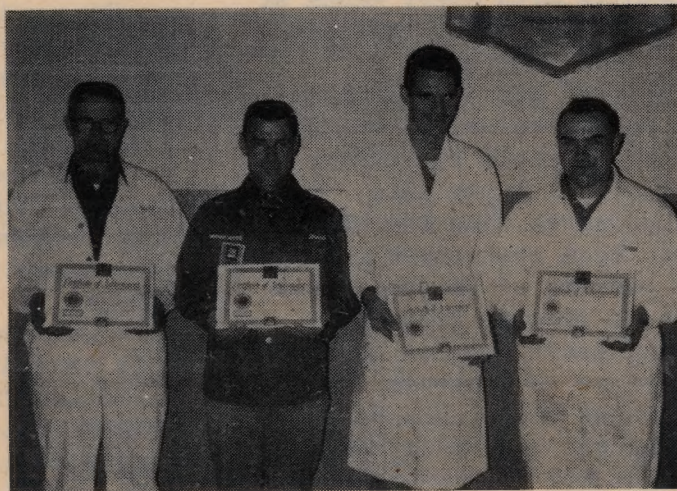

Murray E. Stewart

John E. Maybin of Calgary has been appointed president of Canadian Western Natural Gas Company Limited and Northwestern Utilities, Limited, Dennis K. Yorath, chairman of the companies, announces following meetings of the boards of directors. Mr. Maybin, previously executive vice-president, has been with the companies since 1949. He succeeds Mr. Stewart of Edmonton who has accepted a two or three-year assignment as president of General Waterworks Corporation of Philadelphia, after which he is expected to return to new responsibilities in Alberta. In making the announcement, Mr. Yorath said General Waterworks was the newest acquisition of International Utilities Corporation, parent company of the Alberta utilities.

EDITORIAL COMMENT

Way Cleared for Talkers to Act . . .

President Johnson dropped a bombshell over the weekend when he announced his decision not to seek re-election.

He has carried a tremendous burden during his term in office and has aged visibly to the world in recent years. He took office during troubled times, inheriting an unpopular war that he has attempted to resolve with every means at his disposal and at the cost of his own health.

The Viet Nam situation almost defies solution but while he threw himself and every fibre of his being into attempting to find the answer he has been criticized noisily by a variety of United States citizens ranging from card-burning draft dodgers to his colleagues in Congress.

Perhaps one of his detractors has the answer to ending the Viet Nam war and President Johnson has certainly cleared the way for him. We know they can talk loud, now let's see what else they can accomplish.

Community Groups Urged to Help . . .

It was a pleasure recently for the editor of this newspaper to supply Calgary Power Ltd. with a list of local organizations and civic groups that might play a part in this year's Junior Citizen Award Program. The local organizations have already been contacted by Calgary Power with an outline of the program the company has conducted during the past seven years in co-operation with Alberta weekly

newspapers.

It is hoped that these community groups have presented the information to members and that they are now thinking seriously about the possibility of selecting one or more of the fine young people in the area as possible nominees for the award. We're quite sure that a number of young people, by virtue of their community contributions, could be serious contenders for the honor.

Let's make sure that a worthy candidate in the area is not overlooked. Discuss the program at your next meeting, or better still, appoint a committee to consider possible selections, and we may come up with a winner who might otherwise go on without the recognition he or she deserves.

A measure of the success of this rewarding program by the Utilities companies (Canadian Utilities Limited, Northland Utilities Limited and Calgary Power Limited), can be judged by the fact that several of the Junior Citizen Award winners have afterwards been recognized by other civic and national organizations. One winner was later awarded the Mountbatten Award, one was the subject of a feature article in a national magazine, and one received the Royal Humane Society Medal.

The presentation of the awards is a highlight of the annual convention of the Alberta Weekly Newspapers Association and milestone in the young lives of those fortunate enough to be selected.

APRIL IS
CANCER CONTROL MONTH

Lenten Meditations

BY REV. ZEKE MARTIN

The fifth word from the Cross "I Thirst", is the Word of Need. It is the shortest of the seven words from the Cross and the only one that refers to our Saviour's bodily sufferings at all. These two words, I thirst, came from One who had cried out in the streets of Jerusalem: "If any man thirst let him come to me and drink".

It was the same Jesus who a little time before sat with the woman in Samaria by the well and told her that the water would only quench her natural thirst for awhile, but he would give her water which if she drank, would not only quench for ever that thirst, but would enable her to go out and quench the thirst of others. And yet now He Himself is saying "I thirst".

But for that "I thirst" we might think of one Lord as hardly human. We learn from this the humanity of our Lord, his lips were parched with fever, the thirst of the dying was upon him--this keen expression of utter bodily exhaustion--and he is not hesitant in giving it voice, for, in his utmost physical need, he seeks for human sympathy and asks for bodily relief.

The Divinity of our Lord is often denied, but on the whole it would seem in this modern day that people are in greater danger of denying His humanity. This fifth word, "I thirst" is a reminder that while Christ is primarily divine He is also a human Christ. It helps us bear pain and suffering and temptation when we know that He was tempted and suffered too. If pain and suffering were imaginary, Christ would not have found it so stern a reality, nor made it the means of the world's redemption. There is a deep meaning in our own pain and suffering if by the Cross it is changed into a fellowship with the sufferings of Christ.

The Christian does not waste pain as the non-Christian does for he uses it. Moreover, if Jesus needed and accepted human sympathy, we should not be too proud to accept it also. There is a pride in us that shuts itself up in its own sorrow and insists on bearing its burdens alone. It is good discipline, especially in the age in which we live, to quell our proud wills and bow our heads as Jesus did.

And we should not hold back our sympathy from those who suffer, many of us could do so much more, and gain so much, by giving through a simple transference from the account of self, its pleasures, its comforts, etc. to the account of the needs of the needy. Do we not know, have not the gospel taught us, that we make our own burdens lighter when we add to it another's sorrow.

Of course, in saying all this we must never for a moment forget that Christ's thirst was above all spiritual for He

"thirsted" to be "thirsted" after. Read, if you will, the story of his passion, the story of the Cross, the story of His death, and you will understand if you read aright, something of the awful soul thirst through which Christ passed. He thirsted for human souls, for yours and mine.

Whenever you or I bow in prayer, whenever we overcome some temptation, whenever we do some good, help the needy, or whenever men and women come to him in simple faith and trust, it is as though someone had taken a drop of water and touched His lips.

Any good we can do let us do it now for that opportunity may never come again.

ENTWISTLE NEWS

MRS. E. OLIVER,
Correspondent.

Our village has been saddened by the death of Mrs. Ada Brown, a former resident of Entwistle. Mrs. Brown has been ailing for some time and she passed away on March 22nd in the Glenrose Hospital in Edmonton.

Funeral service was held on Monday, March 25th in the Kingdom Hall at Evansburg.

The Brown family are well known throughout the district as pioneers. Ivan Brown still resides here and Mrs. Brown being one of the Miss Entwistle's of which our village was named after.

Sympathy of the district is extended to the family of the late Mrs. Brown.

The Elks held another whist on March 23rd in the Elks Hall with six tables full. The winners were; Ladies, 1st Mrs. McKenzie; 2nd Ivy Anderson; Consolation P. Bullock. Mens, Lawrence Anderson 1st; 2nd Hubert Forecast; and Consolation Leo Saretsky. The next whist drive will be held on April 13th and 27th.

Mrs. Jean McLean is looking after the Brown children while Ivan and Betty are away to Europe for a few days on a trip that Ivan won through John Deere.

Mrs. A. Dean is home again after spending some time in Camrose.

Vernon Oliver of Calgary was home over the weekend with some of his friends.

There will be a Home and School meeting on April 10th in the Entwistle School.

A building has been acquired by the Library Board and it is hoped we can soon open our library.

EVANSBURG

MRS. M. BRUNER,
Correspondent

First of all, the newest arrival again at our place this week is a very mousy colored foal. This poor baby seems very definitely out of place in the barnyard with all the black and white pintos.

I wish to say welcome back home to Mr. T. Mitchell who has been ill for some time in hospital. Hope Mr. Mitchell will keep on improving as spring advances.

Mr. and Mrs. Ivor Froland and Mr. and Mrs. R. Pugh motored to St. Paul for a visit over the weekend.

Workmen have been busy during the night hours installing a communications system in the Evansburg Junior Senior High Schools.

The children in the Junior Senior School are busy preparing for a drama night which is to take place on April 4th.

The entertainment will consist of plays and skits put on by the pupils of the various rooms. Following the drama, the children tell me that Easter exam time will be here so extra study will have to be done.

Those members of the 4-H Club taking part in the rally to be held soon in Stony Plain met at the school recently to practise their skit. Next practise is to be on April 7th at the same place and all costumes are to be worn.

Latest members of the family to be victims of the flu are Ted and Jeff who have been home from school for several days.

Summary Regular Board Meeting

A regular meeting of the Board of Stony Plain School Division was held at the Divisional office on March 12th and 13th.

Recommendations were received from the Conciliation Board in regard to the salary dispute with teachers of the division. The Board reluctantly accepted the award by the Conciliation Board representing a net increase of \$165,910 over last year or 13.88 percent

* * * *

The Board accepted the resignation of W. Lauder as janitor of the Keepphills School effective March 31st and appointed Wolfgang Schwalbe as his replacement at a salary of \$175 per month.

* * * *

It was moved and carried that a letter be sent to the Town of Drayton Valley asking the cost of paving per square yard, when their 1968 contract is let, and to advise that the Divisional Board may be interested in hard surfacing about 800 square yards.

* * * *

It was moved and carried that secretaries to principals be required to work as follows: Full time secretaries 7 hrs per day; Half-time secretaries, 3½ hours per day. Also that they be required to work on all days that schools are open, on teachers' conventions and institutes and in case of inclement weather, that secretaries be at the call of the principals. Further that in case of inclement weather the closing of the school be left to the discretion of the Divisional Trustee concerned.

* * * *

It was moved and carried that schools close from 3:30 p.m. Thursday, April 11th until the morning of Monday, April 22nd for the Easter vacation and that the Divisional office be closed on Friday, April 12th and Monday, April 15th for the Easter vacation.

* * * *

The superintendent, Mr. Henry Toews reported that he is leaving for England on April 3rd to hire teachers and will return on April 23rd.

The superintendent further mentioned that he has investigated the possibility of going on a semester system and the Memorial High School staff in Stony Plain is anxious to try it.

* * * *

It was moved and carried that application be made to the Department of Education to set up the semester system at the Stony Plain Memorial Composite High School commencing September 1, 1968. Mr. F. Hannonchko reported that some more equipment has been ordered for the Stony Plain Commercial Wing and tenders have been called on some other items.

He further advised that commencing September 1, 1968 a new science course is being introduced in grades 1 to 6 which is going to mean an additional expenditure.

* * * *

It was moved and carried that the Divisional Board auth-

orize the holding of a Teachers' Institute on May 9th in Drayton Valley and in Stony Plain on May 10th.

VIOLET GROVE NEWS

The Violet Grove Teenage Club held their meeting on March 31st at the home of Mrs. Arndt. A new treasurer was elected and Mary Bigelow took over the position formerly held by Lucille Teeter. New members are always welcome. For membership contact Keith Sodergren at 542-2059.

Dave Verigan of Calgary was a guest at the home of his parents for the weekend.

D. V. Highlights

BY MRS. EDITH DEBY

Some of our readers will be interested to know that Edith Davison's new name is Mrs. Lancaster. The Lancasters live in Tofield.

Mrs. Gagne of Lac La Nonne made a special trip to Drayton Valley last weekend to see her little granddaughter, Julianna Gagne, skate in the ice carnival.

Speaking of the ice carnival it was splendid, wasn't it? Agreed whole heartedly with announcer Rick Simon's words of praise for all and sundry. Don't you think that Mrs. Barnes should be awarded the title of "Good Sport" for her shepherding of embryo skaters and her costume of Mother Bear?

A rancher we once knew was fond of quoting a sage of the rangeland who said, "There never was a horse who couldn't be rode. There never was a rider who couldn't be thrown". Mrs. Mary Kelly is known hereabouts as a rider of considerable ability but last week she was "thrown" on her head, and the resulting gash in her scalp had to be sewn up by a doctor but not before Mary had ridden that horse and established who was boss.

The Women's Institute hopes all persons interested in home decorating will plan to attend that workshop in the Legion Hall beginning at 10 a.m. on April 10th.

Enjoyed a chat with Mr. and Mrs. Ralph Bittorf recently. The Bittorfs live in Camrose now but say they have many pleasant recollections of the years they spent in Drayton Valley.

Mrs. John Woods of Tofield spent the weekend with her son-in-law and daughter, Mr. and Mrs. R. Goubault.

Congratulations to Constable Bryon Crerar who passed his police tests with flying colors.

A letter from Mrs. Ida Wallace would lead one to believe that she is just a little bit lonesome for her home at Violet Grove and her old neighbours. Things We Don't Like Department--The "For Sale" signs which appeared in front of the Cull and Klevin houses last weekend.

Sorry to hear that Constable Rod MacDonald has been transferred. He will be stationed in Stony Plain.

As usual Cliff Vandergrift was on hand for the Edmonton Rodeo last week but as a spectator. Cliff has had a heart attack and must take no strenuous exercise. This year he has been greatly in demand as a judge at different rodeos.

Mr. and Mrs. Ira Smith and Mrs. Cull were among the people who went to Camrose on Sunday for Mr. and Mrs. Norman Butler's fiftieth wedding anniversary. The Butlers received messages of congratulation

and good wishes from Mr. Lester Pearson, Mr. Robert Stanfield, Mr. Ernest Manning and Mr. Grant MacEwan as well as a host of others. Mrs. Butler's friends will remember that often when she wished to praise someone she will say, "He deserves a medal". She was also often heard to remark that any one who was married for fifty years has earned a gold medal. Last Sunday, Mrs. Butler's children gave her--you guessed it--a beautifully engraved gold medal. Mr. Butler was given a gold fish hook. For their second honeymoon the Butlers will go to England in June.

KEEPPHILLS NEWS

MRS. G. RAYMOND, Correspondent.

Mr. and Mrs. Lauder had guests from Edmonton on Sunday. Mr. and Mrs. George Lauder, Mr. and Mrs. Moore, Mr. and Mrs. Carrol Selover, and Mr. and Mrs. Pete Vandewell.

Lori Denton has gone back to School again after her unfortunate accident with the propane gas fumes.

Marie MacDougall entered the Stony Plain Hospital on Tuesday and had her appendix removed the same day.

Mr. John Henkel, Sr. is also a patient at the Stony Plain Hospital.

Elva and Wayne Clark, Brenda and Susan of Jasper spent the weekend here visiting relations. On Sunday they visited their daughter Laura and family at Highvale.

Moris and Alma Carter will be moving into their own house the first of April, and Charlie and Alma White will be going back into theirs. Erin and Ruth White will move into the Lauder farm home.

Mr. Reg Croft was home from up at Univie for a few days recently.

Four white tail deer came within two hundred yards of the school one morning recently and grazed around awhile before taking off for the trees.

Final Meeting

The final meeting of the season will be held by the Figure Skating Club on April 10 at 8 p.m. in the Council Chambers.

Anyone interested in the figure skating club or who may have an opinion to voice is cordially invited to attend this meeting.

Plans are underway for a film to be shown during Easter week for the members of the Drayton Valley Figure Skating Club.

BERRYMOOR

MRS. D. MARTIN Correspondent

Your correspondent got too involved last week to get any news sent in.

James Roy of Camwood was unfortunate enough to lose his house and all of its contents by fire of undetermined origin. A fire fund was started by district folks and the family received a considerable amount of help. Special thanks go to Dorothy Cropley, Russell Hutchinson, Jim Holmgren, Percy Laughlin, Walter Boynes, George Van Ember, Mrs. Pick-up, Mack and Mann and the Breton Elks Lodge, also to anyone else who helped in anyway. It is a pleasure to see this spirit of helping where there is need, displayed to this extent.

Mr. Ralph Thatcher has returned from B.C. where he visited with his son and family.

A successful Tupperware party was held at the home of Mrs. Iona Haffner of Lindale.

When the winners of the recent Lindale talent show was published the second prize winner was omitted from the list. The second prize winner was Gwen Laughlin of Berrymoor. Belated congratulations Gwen.

Congratulations to Mr. and Mrs. Frank Horvath on the birth of a daughter at the Drayton Valley Hospital on March 27th. The young lady has been given the name of Donna Lynn.

A lovely bridal shower for Miss Mae Martin was held at the home of the bride elect's aunt, Mrs. Gilbert Martin on the evening of March 23rd.

On Saturday, March 30th the Three B's Club of Berrymoor held their annual meeting at the home of Mrs. Olga Van Ember. A new slate of officers was elected as follows: President, Mrs. Olga Van Ember, Vice-President, Mrs. Calla Pischke and secretary-treasurer Mrs. Isobel Martin.

Mr. and Mrs. Roy Lawson and Mr. and Mrs. Jim Lawson motored to Peace River on the weekend.

rapidly expanding region.

Mrs. Mabel Betts, of the Alberta Safety Council is shown here with local ladies active in the Oilwives' sponsored baby sitting course. The photo was taken during a meeting in Drayton Valley last week. From the left are Mrs. Betts, Mrs. Vi Landry, R.N., Mrs. Marilyn MacLean, Mrs. Barbara Davies, R.N., Mrs. Eunice Lyle and Mrs. Betty Wronko.

Safety Meeting Held Last Week

Representatives of the Alberta Safety Council who visited Drayton Valley on Tuesday, March 26th highly praised two local organizations for their efforts in fostering safety practices in this community.

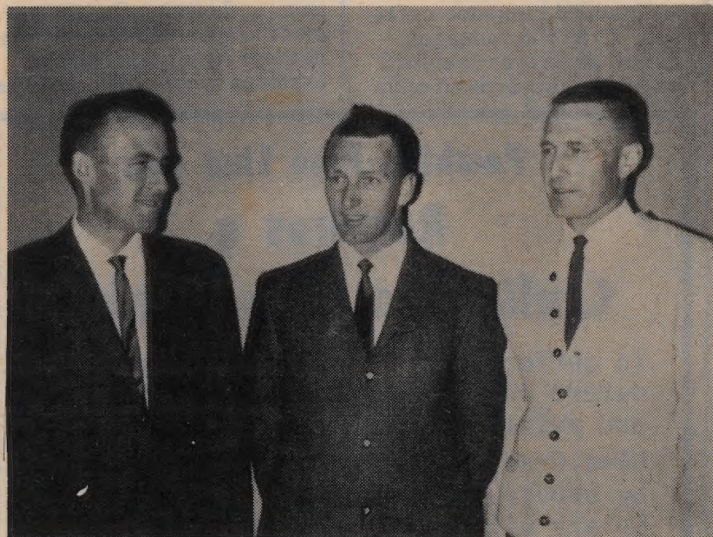

Mr. Jim McHale, Manager of the Edmonton Safety Council, and Mrs. Mabel Betts, in charge of Home Safety Activities for the Alberta Safety Council, commended the local fire department for its Defensive Driving Courses and the Oilwives Club for the work with youngsters in sponsoring baby-sitting courses.

The group met in the recep-

tion room of the Centennial Civic Centre and heard a few short talks and watched a film on defensive driving.

The fifth defensive driving course presented locally is underway this week and will be followed shortly by another course which is already completely booked up. When the sixth course is completed a total of 145 persons will have undertaken the training in this community.

Further courses will depend on the amount of interest shown. Anyone who would like to take the course is asked to contact Elmer Madsen at 542-3886.

Shown here are instructors of the Drayton Valley Fire Departments' Defensive Driving Course. From left to right are Al Horne, Charlie Davies and Larry Gano.

Confirmation Service at Tomahawk

The Rite of Confirmation was administered to seventeen young people at Immanuel Lutheran Church in Tomahawk on Sunday, March 31. Confirmed were: Daryl Appelt, David Dusterhoft, Norman Dusterhoft, Wendy Hutchinson, Vernon Jabs, David Lukaniuk, Darrell Reich, Gordon Reich, Karen Reich, Garry Reich, Judy Richter, Betty Schadeck, Dale Schadeck, Carmin Solomon, Marvin Solomon, David Strocher, and Elmer Zander.

The Lutheran Church Confirmation is a time which marks the conclusion of a two year period of instruction in the Biblical teaching and confession of the Church. In the Confirmation Rite the young people reaffirm their Baptismal Vow of renouncing the Devil and all his ways and reaffirm their promise to serve the Triune God and Him only. After giving their promise of intention of remaining faithful unto Jesus Christ unto death and unto the teaching of the Lutheran Church, the confirmands then receive their right, bestowed in Holy Baptism, of receiving the Sacrament of the Lord's Supper and are given First Communion.

234 members of the congregation, sponsors, and friends gathered at the Church to witness the Rite of Confirmation. Pastor Drawbaugh admonished the class to continue to Abide with Jesus and told the class that only if they would abide with Jesus could they truly live a God-pleasing life, find strength in every dark hour of life, and have the confidence that God would hear and answer their prayers.

After the conclusion of the Worship Service the members of the class went to their homes where Confirmation Dinners were held in their honor with members of the family, friends, and Baptismal Sponsors being present.

W.I. Meeting

The regular W.I. meeting will be postponed until April 22nd. All members are asked to bring quilt blocks as well as a layette article for the Unitarian service to the April meeting.

Rural Youth Survey Planned

A survey of rural youth will be undertaken immediately in seven predominantly rural areas of the province as a joint project of the Junior Farmers' Union of Alberta and the Alberta Department of Youth.

The junior farmers' organization is interested in using the findings of the research study to develop educational and recreational programs with wide appeal for young men and women living in small towns and rural areas.

The Research Division of the Youth Department will provide staff to train interviewers of the junior farmers' organization, compile and analyze statistics gathered from the questionnaires and prepare the final report to include recommendations for future development.

In each area, approximately 100 to 150 young people between the ages of 18 and 30 will be interviewed. Questionnaires have been designed to discover how many rural young people are presently living on farms and whether or not they plan to make a career of farming.

Auxiliary Holds Successful Sale

The Hospital Auxiliary held a most successful rummage sale. Many thanks both to those who gave the items and to those who gave their time to sort and sell them. The things that were left have been packed up and sent to the Salvation Army in Edmonton.

The lace table cloth for which raffle tickets are available from members is on view in Marnel's window.

The regular monthly meeting of the Hospital Auxiliary is being held this Thursday, April 4th at the Nurses' Residence at 8 p.m.

Seba-Gainford News

Mr. and Mrs. Bill Panchuk arrived home last week after spending the winter visiting their daughter and son-in-law, Dr. and Mrs. O. Eritsland of Bellevue, Washington.

We are happy to see Mrs. Ross Warren home from the hospital and we trust she is feeling much better.

We have this year the first Girl Guide Company in Seba Beach. The organization is under the direction of Captain Mrs. Arlene Welch, whom we wish to congratulate for her service in benefit of the young girls in our community. The Girl Guides wish to thank all those who donated in their recent bottle drive. They report a very profitable day.

Little Leea Carlson was in hospital at Stony Plain, she is home again now and feeling better.

On April 6th the S. T. P. O. and S. U. of Seba Beach present Klondike Karnival in the school auditorium. Sounds like a great evening for all the family. They feature Klondike Kate follies, Queen Contest, Games, Refreshments, Dance and also baby sitting service. Hope to see you all out to enjoy the fun.

BILL'S SIGNS

PHONE 542-3472 - DRAYTON VALLEY

Legislature Report

By Tony Cox

A plan to provide a more effective and higher standard of health care in Alberta was introduced in the Legislature last week by Health Minister Dr. J. D. Ross.

The program would dispense, with the present health units, replacing them with a province wide system of public health regions, operated by local medical, dental and other professional health personnel.

Dr. Ross said the system would be financed by a levy on municipalities not exceeding two mills, coupled with provincial grants, similar to the school foundation program. It would mean six mills for health financing rather than the present four mills for hospitals.

To assist in meeting the expenses not covered under the Health Regions Fund through equalized assessment, health boards could ask for more money from the municipalities for services the fund does not cover.

If the bill is passed, it would not be proclaimed before April 1, 1969. If there is too much opposition, implementation of the plan could be delayed, said Dr. Ross.

The system would provide for nine regions instead of the 25 separate health units now in

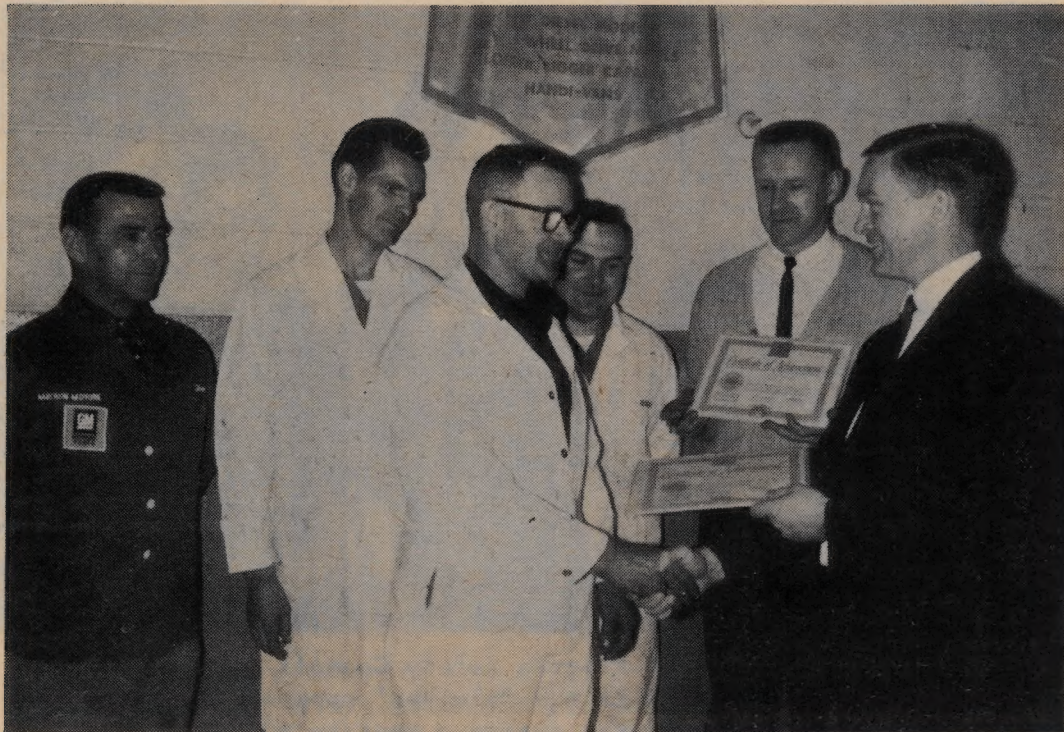

operation.

A bill to amend the Alberta Labor Act means that agricultural employees in commercial operations would have the right to join trade unions. Labour Minister, Raymond Reiersen, who tabled the bill said it is not the intention that true farm operations be covered by the amendments. It is aimed only at employees engaged in strictly commercial undertakings although they may be handling agricultural products.

Mr. Reiersen says the bill should speed up settlement of disputes between management and labour by giving the minister of labour the authority to eliminate the conciliation board stage. This could save anywhere from ten days to three weeks, he said.

Fines of \$25 a day would replace the present \$100 total fine for those convicted of the growing number of jurisdictional disputes in the construction industry which have impaired the sanctity of collective bargaining, he added.

Mr. Reiersen, who also holds the education portfolio, brought down amendments to the School Act which would permit an equal time of instruction in French and English from grades 3 to 12. The bill to allow more time for the

Mechanics Guild Certificates were awarded last week to four members of the staff of Mayhew Motors Ltd. Wilf Townsend is shown receiving his certificate from Brent Logan (R), General Motors District Service Manager. Others who received the award from left to right are Frank Collette, Parts Manager, Tom Cloke and Steve Krawchuk with Bob Mayhew watching proceedings on the right.

French language will not affect grades 1 and 2 where only one hour per day of English instruction is necessary.

The department has already started gathering French instruction material but it will take time to introduce the French language because of the shortage of teachers and text books, said Mr. Reiersen.

Another section of the School Act has raised the limit for debenture borrowing by school boards without public notice from \$100,000 to \$200,000 or by 1½ percent to 2½ percent of the assessment whichever is less.

Junior-High News

Thirty-two pupils from the Junior High School will be participating in a ping-pong tournament April 6th at Tomahawk. Teachers will also take part and trophies will be awarded.

The intermural games, which take place at noon, are being directed by Mr. Baker. The teams' points are as follows: Green 1355; Gold 1324; Blue 1197; and Red 1025.

Mrs. Ross is directing an operetta which will be given by a grade 8 class. It is called "Streamlined Cinderella" and will be performed on April 11.

A contribution was made to the Brown family whose house was recently burned.

The yearbook was completed March 27th by editor Judith Schneider, and staff. Charlene Wilkes is the winner of a free yearbook, for submitting the name "Aurora".

Mrs. MacLean is in charge of a baby sitting course taking place in our school on Mondays or Fridays.

The Social Convener, Betty Hay is planning a Slave Day to be held within the next two weeks.

Extend Thanks

The Drayton Valley Figure Skating Club would like to thank the following for the time they spent helping the club in so many ways towards the successful presentation of Saturday's Ice Carnival:

The Rotary Club; Rick Simon; Mike Gornley; Mr. Hinecker; Mr. Wickland; Mr. Simpson; Sharon Heyland; Ron Wilson; The Oilwives Club; Harvey Nelson; Electrical Contractors; John and Rick Bright; all the Mothers; and the make up girls, Brenda Johannesburg, Dot Booker, Fay Shearer and Helen Paley.

The bill also allows for rural school divisions to appoint superintendents.

The three-cent a gallon fuel tax increase provided for in a re-written Fuel Oil Tax Act bill contains very few exemptions. Farm vehicle operations, aircraft, logging and coal operations off public highways, industrial and construction machinery and municipally-owned buses which are exempt from the current 12-cent a gallon gasoline tax and 14 cent a gallon diesel fuel tax, are included in the new act.

However, heating fuel used for domestic purposes and fuel oil purchased for oil and gas well servicing and rilling will remain exempt.

A revised Hail Insurance Bill means added insurance to farmers. Crop fire insurance can now be written into hail insurance policies at no extra

cost.

A survey for major re-distribution of constituencies will not start for at least a year. The government plans to introduce a motion this week proposing the establishment of a committee, comprising six Social Creditors, two Conservatives and one Liberal, to examine the various lines along which re-distribution could be carried out. On a "representation by population" formula, Edmonton and Calgary would get about five new seats each.

In brief, real estate agents will have to renew their licenses every year; no legislation is planned this session making it mandatory to use automobile seat belts, and the interim supply bill has received royal assent, authorizing the government to spend \$255.6 million to meet its initial financial expenses in the new fiscal year.

MOON LAKE NEWS

On March 23 a family party was held in the Moon Lake Hall in honor of Lloyd and Leona Riedlinger and family, who leave for Germany on March 31st. As a parting gift they received a set of air luggage and some gifts for the children. The best wishes of all their friends at Moon Lake go with them and we are all looking forward to their return in two or three years.

On March 24th a baby show was held in the Moon Lake Hall to welcome wee Daphne Wall. Her mother, Bertha Wall, graciously thanked the ladies for the lovely gifts. Games were played and a tasty lunch served.

On March 29th the Brightwood Cemetery Association held the annual meeting in the Moon Lake Hall, election of officers took place with the following taking office for the coming term: President Walter Walaszyn; Vice President, Fred Cherrington; Secretary, Treasurer, Mrs. Laura Tufty; Directors, Bernard Town, Chris Walaszyn, Dan McRae, and Ralph Tufty.

On Monday, March 26th Mr. and Mrs. Ralph Tufty motored to Edmonton. Mr. Tufty attended the Alberta I. D. Committeemen's Convention held at the Jubilee Auditorium. While there Mrs. Tufty visited the art display, they also attended the banquet which was held Tuesday evening in the Jubilee Auditorium social room.

Mrs. Bill Cherrington is in the Drayton Valley Hospital. We all wish her a speedy recovery.

On March 26th Mr. Fred Parfeniuk returned home from Grandforks, B.C. where he was visiting Mrs. Parfeniuk who, due to ill health, has spent the winter in B.C. Mrs. Parfeniuk is much better now, the climate there agrees with her so well. Mr. Parfeniuk bought a home at Grandforks and plans on moving to B.C. as soon as he sells his farm here. We were all glad to see him back at the Moon Lake bingo. His daughter Jean brought him to the bingo, and he in turn brought her good luck as she bingoed four times that night. Mrs. McKenzie of Drayton Valley had her chosen number drawn, netting her \$3.50. Mrs. Kaminski of Round Valley won the \$15 blackout. Don't forget the bingo in the Moon Lake Hall on April 4th with a jackpot of \$200.

Mrs. Jean Lang had a very pleasant surprise when her husband returned home from Slave Lake where he had been working, giving her a gift of a lovely new electric cookstove. Mitch has been away most of the winter but like all farmers it will be back to the land very soon.

Health Hints

from
THE CANADIAN MEDICAL ASSOCIATION

HYPERTENSION AND ITS PROBLEMS

In using the term "hypertension", the doctor usually refers to the condition in which the very small blood vessels of the body show increased resistance to the flow of blood. This, according to The Canadian Medical Association, is associated with an increase in the blood pressures.

This is the so-called essential hypertension, probably the commonest form. Approximately 5% of the adult population of Canada is affected, and the disease is somewhat more common in females than in males.

The association of diabetes, obesity, kidney disease and high blood pressure is well known. Certainly being overweight is a definite factor,

although the exact reason is not completely clear.

Thus the person who is overweight, or who has a family history of high blood pressure or diabetes, particularly during middle age, is a prime candidate for hypertension. A routine medical examination may disclose the presence of hypertension long before the patient develops symptoms of it.

The C.M.A. reports that the judicious use of reducing diets, salt restriction, and if necessary one or more of the many prescription drugs available, can contribute a great deal to the patient's well being. In many cases this type of treatment can delay or prevent the serious complications of high blood pressure that occur in such vital organs as the heart, kidneys and brain.

Library News

Pierre Berton's new book, "The Smug Minority" has arrived. There are many people who will not find Mr. Berton's ideas acceptable but few will remain indifferent to them. Following are some quotations from the book.

"Political parties may be obsolete", "Cash may be unknown", "Sex will be free but procreation may be controlled" "Work, as we know it now, may be obsolete". These and others are spoken of for the future. Says Mr. Berton, "It is my thesis that society would benefit if it could eliminate entirely the kind of pointless drudgery which serves to degrade human beings; and that the people so employed would be better off if they were given unlimited time, with pay, to do what they want; drink beer, argue in taverns, lie in the sun and stare at the clouds, etc." Unquote. As yet Mr. Berton has made no suggestions to relax the drudgery of the housewife and mother but perhaps later in the book we may find that diapers may be changed by robots and another machine will wipe little runny noses.

One critic has said of Arthur

Hailey's new book "Airport" that if the reader does not know much about the characters in the book he will at least be able to run an airport when he finishes it. In my opinion the book suffers by comparison with Hailey's earlier book, "Hotel".

MAGNOLIA NEWS

Betty McDougall held a whist party at her home Saturday evening, March 23rd with five tables occupied. First prize winners were Elaine Kerr and Danny Roth, second went to Stella MacDougall and Jack Balfour, consolation to Ruth McDougall and August Reich. Door prizes were won by Ruby Brown and Al Roth.

Weekend visitors with Betty and Dean Strangway were Bill and Elaine Kerr of Edmonton.

Cliff and Celia MacDougall, Wendy and Grant, Pete Peterson of Hinton were visitors in the district last week.

The community was saddened by the passing of Mrs. Ada Brown of Entwistle formerly of this district on March 22nd. Services were held at Evansburg Kingdom Hall. Interment at Magnolia Cemetery. Deepest sympathy is extended to the family.

President of the Violet Grove Teenage Club, Keith Sodergren is shown above presenting a farewell gift to Donna Arndt, club secretary. Farewell party and sock hop was held in honour of Donna on March 22 in Violet Grove Community Hall.

Nursing Group Hears Talk on Chiropractic

"By aiding the body's adaptation to a constantly changing environment (both within the body and outside the body) disease can be prevented and correction of already present disease can be induced," said Dr. R. Findlay, Chiropractor, when he spoke to members of the Drayton Valley Chapter of the Alberta Association of Registered Nurses in March.

Dr. Findlay went on to qualify this statement by stating that practitioners of Chiropractic utilize the principle that the central nervous system is the body's response center and through it adaptation is made. If the nervous system is kept at an optimum state of efficiency through manipulation of the spine (Chiropractic), presuming the other natural health practice have been maintained such as nutrition and exercise, then disease will not occur. By correction of spinal misalignments, correction of disease states is effected provided that the disease has not progressed too far.

Dr. Ken Heater, Chiropractor, was also present and introduced some information on the utilization of health foods as a measure to promote the body's ability to resist disease.

After presentation of the hypothesis of chiropractic, discussion of the place of chiropractic in modern day medicine, its effectiveness relating to specific disease states and to prevention of other diseases was lively and controversial.

The Drayton Valley members of the A.A.R.N. would

like to thank both Dr. Findlay and Dr. Heater for the interesting and informative talk and discussion of chiropractic.

Although tardy the Drayton Valley Chapter of A.A.R.N. wishes to thank each person who helped to make a success of the Bake Sale on February 23 in Block's Store. The proceeds from this sale have initiated a fund to be used to assist in some way a local girl or girls interested in entering a professional nursing training programme.

Busy Month For Cadets

The local Air Cadet Squadron #733 will be having a busy and interesting month this April with familiarization flying on Saturday the 6th of April and a Citizenship Tour to the International Airport on the 20th of April the Cadets are in for a bang up time.

Then during Air Cadet week from the 21st of April to the 27th they will be selling First Aid Kits; enjoying a Cadet party to celebrate the week and experience other "do's" for Air Cadetship.

The Officers and Civilian Officials heading up our Squadron are hopeful of increased enrollment next year to build a better and finer squadron. If your boy is approaching the age to join our squadron have him pay us a visit at the Frank Maddock High School any Thursday evening between 7:00 and 9:00 p.m.

I.D. Committeemen Meet

Improvement District Advisory Committeemen from I.D. 77 are shown in discussion with their Improvement District Inspector Guy Dompnier of Evansburg. The picture was taken in the Jubilee Auditorium, Edmonton on Wednesday, March 27 while the committeemen were participating in the annual conference of I.D. committeemen. From left to right: Frank Hoge (Violet Grove-Lodgepole), Alfred Tufty (Moon Lake-Brightwood), Maurice McCullagh (Rocky Rapids) and Guy Dompnier (Evansburg).

Legion Holds Annual Bonspiel

Sunday the local Legion and its Auxiliary held their annual mixed curling bonspiel. Although only eleven rinks took part, the day proved very satisfying to those who did participate.

The Bill Johanneson family rink took the first prize in the first event. Second prize in

this event went to the Earl Cox rink with the Don Booker and McCullagh rinks were third and fourth in that order. Rex Burrows and his foursome of Bill and Clysta Davies and Dorothy, his wife, captured the first prize in the second event with the Wes Rowles rink taking the second prize in this event.

BOWLING RESULTS

MIXED LEAGUE

In mixed league bowling for the week ending March 22 standings are as follows:

Monday at 9 p.m. -- Hot Shots 69; Satellites 56; Pea Soups 61; Rolling Stones 38; Twilights 40; and Hammerheads 45.

Tuesday at 7 p.m. -- Comets 60; Diddlers 35; Blue Ribbons 57; Scamps 50; Jays 68; and Humbugs 42.

Tuesday at 9 p.m. -- Tinkers 76; Dumb Dumbs 56; Bimbos 45; Mr. Clean 40; Untouchables 35; Orbits 59.

Wednesday at 7 p.m. -- Nitwits 52; Gay 40's 64; Sloppy Joes 42; Flappers 48; Spurters 46; and Tippers 60.

Wednesday at 9 p.m. -- We-Blew-Its 49p Miners 55; Falling Stars 50; Kay Jays 62; Pin Killers 49; Swingers 47.

Thursday at 7 p.m. -- In-Crowd 65; Blackouts 67; Rockets 39; Five Pins 62; Flukers 45; Wayouts 33.

Friday at 9 p.m. -- The Wah-hoos 36; Stinkers 64; Sure Shots 50; Yahoos 41; Smileys 46; and Odds and Ends 75.

Eleanor Metzger took the ladies high single with 257 and totalled 661 pins to take the high triple.

Rusty Jorgenson took the mens high single with 315 and Rick Maertz bowled the high triple with 802.

The team high single and triple was taken by the Tinkers with 1087 and 3089.

High averages for the men are: Rick Maertz 251; Gordon McMannus 212; Larry Johnson 210; Rick Gabrielson 210; and John Hurley 206.

Ladies high averages are Eleanor Metzger 195; Gerry Sharkey 188; Betty Bohnet 182-181; Bea Lainchbury 180; and Delia Duperron 178.

MEN'S LEAGUE

Standings in the men's league are as follows: Boo Boos 72; Elkos 32; Old Rams 49; Pin Nutz 48; Fireballs 46; Pickups 65.

Jim Clark bowled 306 to take the high single and Lee Hurley totalled 750 for the high triple. The Boo Boos took both the team high single and the high triple with 1136 and 3213 respectively.

High averages are: Rick Maertz 238; Lee Hurley 223; Stan Metelski 207; Gordon McMannus 206; Emile Hagman 204.

LADIES LEAGUE

Standings in the ladies league are: Nabobs 60; Kookies 62; Drop Outs 54; Old Timers 39; Hurley's Hurlers 45; and Aces 44.

Delia Duperron bowled 268 to take the high single and Gerry Sharkey totalled 627 to take the high triple. The Nabobs took the team high single with 935 and the team high triple was bowled by the Zeros with 2636 pins.

High averages are: Gerry Sharkey 185; Bea Lainchbury 185; Delia Duperron 185; Eleanor Metzger 182; and Betty Bohnet 178.

Agricultural Society Revises Rules for Summer Fair

EVANSBURG--At a recent meeting of the executive of the Wildwood and District Ag-

Marlene Jubenvill

Dist. Home Economist

10426-81 Ave
Edmonton
Alberta

Winter's often a time when we accumulate a lot of odds and ends and just can't find a place to put them. Finally in our spring reorganization we become thoroughly frustrated with storage problems.

My first suggestion would be to get rid of the clutter--sell--trade it or burn it. Discard items which you don't use, because they are just dust collectors. Once that job is accomplished look at your storage facilities and follow these pointers:

1. Store things near point of first use.
2. Store items at convenient heights.
3. Store together things used together.
4. Store articles where easy to see.
5. Store items where they are easy to reach and grasp.
6. Build to fit storage needs and keep storage flexible.

Several companies have put out cupboard organizers and you would do well to consider some of these. They may be cheaper than having a carpenter improve your present cupboards.

Dianne Hammer, Home Design Specialist in Calgary at 702-16th Avenue N.W., Calgary, Alberta, has a booklet called "Improving Home Storage". It's available from her for 25¢.

ricultural Society, the rules and regulations for the forthcoming fair were revised. The directors wish to inform exhibitors that it is very important that rules for the fair be followed carefully as this will eliminate much extra work for the secretary when fair prize money is being calculated.

It is hoped that exhibitors will pay particular attention to rule No. 3 at the beginning of the book, and also to the special way to prepare certain vegetables for exhibition so they will not be disqualified.

A new class for farmers has been added in that bales of hay will be judged as well as sheaves of various forage. The threshed grain classes have been given a special prize, too, for the preparation and showing of a grain sample.

The directors will hold a field competition among the farmers to promote the value of growing crops with registered seed. Details will be mailed soon, in this competition to all farmers as soon as a set of rules has been drawn up.

The next regular monthly directors' meeting will be at the Dimer home on April 10th.

BUCK CREEK NEWS

Sympathy of the community goes to Bud Hughes, who lost his mother.

We are sorry to hear that Lloyd Nelson is down with the flu. We wish him speedy recovery.

Guests at the last whist were Mr. and Mrs. Krist Steffensen of Ponoko.

Ladies high; Ellen Steffensen, Low, Colleen Lee; Mens high, Ed Gaudet, Low, Ken Gaily.

The seasons high; Ladies Juanita Harding; Mens Ed Gaudet; Low, Ladies Donna Safronowich; mens Foster Simpson.

The teen dance held last Friday did not attract the usual big crowd, possibly the new snowfall had something to do to it.

In a recent issue of "The Iron Men" Magazine is an account of work with steam tractors in the early days in Alberta submitted by Mr. M. VanDerVelde of Dalemead, Alberta. Mr. Helmer Ramstad of Drayton Valley worked for Mr. VanDerVelde for a number of years and was driving the tractor shown above when it cracked through a bridge in Southern Alberta. The photo is one of the group accompanying the story in "Iron Men".

RAMONA

MRS. JEAN STEWART
Correspondent.

Don't forget our monthly bingo next Tuesday April 9th. The jackpot is \$120. That would buy a new Easter bonnet or a few bunnies.

Belated birthday wishes to Robert Rasmussen on his 13th birthday. March 21st. Robert's grandma and grandpa came up from Three Hills with his Aunt and Uncle. Grandma brought up a nice big birthday cake.

Other birthdays are Dick Pollard, April 1st and Peggy Lysak, April 7th. Happy birthday folks.

We saw the Norm Law family and Eddy Solomon family in at the Rodeo Saturday. Bud and Bernice Sullivan and Jim and Corrine Dix took in the Rodeo Sunday afternoon.

The Lariat Gymkhana Club is having a general meeting April 5th in the Scout Hall. They are showing a film "Quarter Horses in Action", and invite anyone interested in horses that would like to see the film. They welcome any new members too. The Gymkhana Club is also having a supper and hard times dance in the Elks Hall on April 19th. Tickets are sold in advance at \$2 each.

Bob and Dolores Stewart

WHO'S NEW

Rotary Wins Pee Wee Crown

Rotary Pee Wees emerged as champions of the local league after a hard-fought series with the Roy Burrows Motors Seals.

Seals won the first game of the best of five series and then dropped two. In the final game the score was tied 1-1 at the end of regulation time.

A fifteen minute overtime period went by without a score and six minutes of the sudden death overtime before the Rotary Club came up with the winning marker and the B. P. O. Elks Trophy.

Cancer Society Seeks \$461,175 in Alberta

April is Cancer Control month and this year Albertans are being asked to donate \$461,175 in support of the Canadian Cancer Society's three-pronged fight against the disease. M.L. "Fritzie" Hanson, Calgary, Alberta Division Campaign Chairman said the 1968 objective represents an increase of \$34,675 compared

with the 1967 objective.

Mr. Hanson outlined how this year's funds would be invested: Research, \$25,500; Education, \$63,912; Patient Services, \$53,260; General Overhead, \$37,251; Campaign, \$30,252; National office assessment, fellowships and provincial grants, \$23,000; making a total of \$461,175.

The Society's three-pronged program features research, pub-

lic education and services to patients. He said the 1968 objective only provided for minimal funds because the objective makes no provision for any reserve funds.

More than 10,000 volunteers will be crusading on behalf of the Cancer Society throughout Alberta during April.

Sunday, April 7 - 12 Noon

BURTONSVILLE NEWS

Eldon Greanya has been busy hauling hay for the Cormie Ranch. Eldon's father, Clayton and his brother-in-law Philip Miller of Edmonton visited Eldon, Marge and LeRoy during the week.

Erwin Greanya and his son Roy of Edmonton visited both Axel and Cecil Homme on Saturday. Erwin grew up in this area and he said it felt like coming home to visit the old familiar places again.

Mr. and Mrs. Axel Homme received word that their son-in-law, Zoltan Petriko is in the Royal Alex Hospital with pneumonia. We wish him a speedy recovery.

Mrs. Mary Tattersall is improving in health and was able to attend the Sunday morning service.

Mrs. Stanley MacDougall visited Mrs. Lehman one day last week.

Jim Bailey our grader man has been thawing out culverts in the district which in some cases is helping to dry farm yards much faster. In some places water was running over the roads and in others it was backing up into the yards.

Mr. and Mrs. Paul Walker of Edmonton are visiting in the district. Paul is a brother to Mrs. A. Homme and Mrs. G. Raymond and grew up in this district. They have bought a home at Edson and will be moving out there in the near future.

Receive Emblems

Cyndy Jones and Darlene Rendflesh, members of the First Drayton Valley Girl Guides, received their Religion and Life Emblems at Emmaus Lutheran Church Sunday, March 31st.

The Religion and Life Emblem was instituted by the Girl Guides of Canada in order to encourage every member to participate actively in her own religious faith and to be well informed in the tenets of her belief.

The Emblem itself is on a green background. It consists of a great circle, the symbol of eternity. In the circle are the first and last letters of the Green alphabet, Alpha and Omega, a symbol of God Himself, a reminder that the worship and service of God form an essential part of life, from beginning to end.

In order to meet the requirements for her Religion and Life Emblem in the Lutheran Church, the Girl Guide must: memorize and have a knowledge of the 10 Commandments, give evidence of daily Bible reading and prayer, give evidence of regular Church and Sunday School attendance, know by memory John 3:16 and Matthew 22:37-40 and be able to explain the meaning of these passages, give evidence of systematic offerings in support of the congregation or congregational activities, have a knowledge of the Church Year, and participate in ten hours of service to the Church and community in two different areas.
